

NEW SMART LIQUIDS COMING SOON!

Smart Liquids are getting even smarter with the two new flavours **GARLIC** and **HOT CHILI** coming soon! Water is the catalyst to Smart Liquid infiltrating it's underwater environment; throughout the bottom substrate horizontally then climbing vertically, impregnating the entire water column with advanced compounds or free aminos, palatants and highly stimulatory trace elements.

Available in; CELL, ESSENTIAL CELL, LINK, CREAM, FRUIT, FISH, SWEETCORN, ISO FISH, PINEAPPLE and SQUID.
