

The image displays a variety of Mainline Match Big River Barbel bait products. In the background, there are two large green and red bags. The left bag is labeled 'BIG RIVER BARBEL' and 'HIGH LEAKAGE - HIGH OIL - SPECIMEN MIX', with a weight of '1kg e'. The right bag is labeled 'BIG RIVER BARBEL' and 'HOOKBAIT ENHANCEMENT'. In the foreground, there are three clear plastic tubs labeled 'BIG RIVER BARBEL' and 'DUMBBELL HOOKERS'. Two bottles are also visible: a tall, dark blue bottle labeled 'BIG RIVER BARBEL LIQUID' and a shorter, wider bottle labeled 'BIG RIVER BARBEL HOOKBAIT ENHANCEMENT'. All products feature the Mainline Match logo, which consists of a stylized 'M' inside a circle. The background is a dark, textured surface with faint images of fish and bait.

BIG RIVER BARBEL

THE BIG RIVER BARBEL RANGE IS PERFECT FOR BARBEL + ALL SPECIMEN SPECIES!
High in oil, quality fishmeal's, and active ingredients including crushed hemp and garlic, means sending a perfect food signal throughout flowing water and large venues.
